**About the Car:** The **2022 Bentley Bentayga** gets a unique addition to the trim levels which is much more premium and comes with its own tweaks to improve the overall performance of the SUV. The 2021 Bentley Bentayga got a major upgrade in terms of the engine and design, thus the base V8 variant of the 2022 Bentley Bentayga is the carry forward to the same previous year's V8 model. This luxurious SUV offers an iconic design which is much more refined and appealing. The new V8 S trim of the 2022 Bentley Bentayga gets the same V8 engine option that generates a staggering 542 hp. But the S trim gets its own unique styling along with few performance tweaks.
