

Mercedes-Benz S680 Maybach

The new Mercedes-Maybach S680 primarily differs from the S580 by offering a powerful 6.0-liter V12 engine with twin-turbocharging. It isn't significantly quicker but the novelty of a V12 engine in a luxury limousine like this one isn't irrelevant. Unlike the previous Maybach S650 V12, the new S680 directs power to all four wheels. Mercedes hasn't fully divulged the details of this new derivative but expect it to come with at least as many luxuries as the S580, which means multi-zone climate control, power front/rear seats, and the stunning 12.8-inch central OLED touchscreen interface

SPECIFICATIONS

Make:	Mercedes-Benz
Model:	S680 Maybach
Year:	2022 (NEW!)
Wheels:	20"
Color:	Black
Car type:	Sedan
Kilometers:	0
Export status:	Can be exported
